## **EXHIBIT HALL PASSPORT CONTEST**

As a NEW and fun way to facilitate a positive attendee and exhibitor experience in the exhibit hall, we are excited to announce a new game for the exhibit hall, a scavenger hunt of sorts, the **Exhibit Hall Passport Contest**, for all attendees! The premise of the game is to create an incentive for attendees to visit the exhibit hall and YOUR booth. Since we want attendees to stop by your booth and have a conversation with a representative, we are giving you an ice breaker for that initial conversation. The contest will drive traffic to your booth and then it's up to you to start those sales conversations. The contest will conclude with some great prizes to be raffled off on Thursday, November 1<sup>st</sup> at 7:30 am during the Exhibitor Breakfast.

You must sign-up to participate in this event in the Exhibit Hall. If you are interested in participating in the game, please see the contest information and rules at the conference web site [www.asprs.org/Conferences/Tampa-2012](http://www.asprs.org/Conferences/Tampa-2012).

## **IMPORTANT**

All exhibitors and booth staff should register for the conference no later than **Friday, September 28, 2012**. This will allow ASPRS sufficient time to prepare necessary registration materials.

Please make your hotel reservations at the Tampa Marriott Waterside Hotel, **as soon as possible** in order to take advantage of the special MAPPS/ASPRS room rate of **\$169**. While our room block does not expire until September 28<sup>th</sup>, there is no guarantee that rooms will be available at that late date in the block or in the hotel. For reservations in the conference block, please see the web page link at [www.asprs.org/Conferences/Tampa-2012](http://www.asprs.org/Conferences/Tampa-2012). A very limited number of rooms are reserved in the room block at this special rate.

As a courtesy to MAPPS/ASPRS and all conference attendees, please do not reserve a hotel room until you are certain that you will be attending. Late cancellations can result in an expensive penalty imposed by the hotel on ASPRS and preclude others from staying in the conference headquarters hotel.

## **SPECIAL REBATE ANNOUNCEMENT**

# UNION REGULATIONS

---

## TAMPA, FLORIDA UNION JURISDICTIONS

To assist you in planning for your participation in this upcoming exposition, we are certain you will appreciate knowing in advance that union labor may be required for certain aspects of your exhibit handling. To help you understand the jurisdiction the various unions have, we ask that you read the following:

## EXHIBIT INSTALLATION AND DISMANTLING

Currently we have an agreement with the Local 1175 Union to provide labor for display erection and dismantling. Full time employees of the exhibiting companies, however, may set their own exhibits without assistance from this local. Any labor services that may be required beyond what your regular full time employees can provide, must be rendered by the Union. Labor can be ordered in advance by returning the Display Labor form, or at showsite, at the service desk. Proof of full time employment status may be requested by the Union Steward of any personnel working in your booth.

## MATERIAL HANDLING

Exhibitors may hand-carry their own materials into the exhibit facility. The use or rental of dollies, flat trucks and other mechanical equipment, however, is not permitted. LEVY will control access to the loading docks in order to provide a safe and orderly move-in/out. Only full time employees of the exhibiting company will be allowed to hand-carry items. Unloading or reloading at the dock of any and all contracted carriers will be handled by LEVY.

## TIPPING

LEVY requests that exhibitors do not tip our employees. They are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all employees. Any request for such should be brought to the attention of a LEVY representative at the service desk or correspondence may be directed to the attention of the General Manager at the local office address.

## SAFETY

Standing on chairs, tables, or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. LEVY cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, please order labor on the Labor order form and the necessary ladders and tools will be provided.

# PAYMENT & LABOR

The terms and conditions set forth below become part of the contractual agreement between Levy Exposition Services Inc. and you, the EXHIBITOR. Acceptance of said terms and conditions will be construed when any of the following conditions are met:

- ~ **WHEN THE METHOD OF PAYMENT FORM IS SIGNED; OR**
- ~ **WHEN AN ORDER FOR LABOR, SERVICES, AND/OR RENTAL EQUIPMENT IS PLACED BY AN EXHIBITOR WITH LEVY EXPOSITION SERVICES INC.; OR**
- ~ **WHEN WORK IS PERFORMED ON BEHALF OF EXHIBITOR BY LABOR SECURED THROUGH LEVY EXPOSITION SERVICES INC.**

## DEFINITIONS

"Levy Exposition Services Inc." ("LES"), and any sub-contractors affiliated within the show. The term EXHIBITOR shall be construed within the meaning of this contract as the EXHIBITOR and/or its employees, agents, representatives, and/or any Exhibitor Appointed Contractor (E.A.C.).

## PAYMENT TERMS

Full payment, including any applicable tax, is due in advance or at show site. All payments must be in U.S. Funds and all checks must be drawn on a U.S. Bank. Orders received without advance payment or after the deadline date will incur additional [After Deadline] charges as indicated on each order form. All materials and equipment are on a rental basis for the duration of the show or event and remain the property of LES except where specifically identified as a sale. All LES rentals include delivery, installation and removal from EXHIBITOR's booth. In case of cancellation, a one-hour "per person, per hour" charge will be applied to all labor orders that are not canceled in writing at least 24 hours prior to the scheduled start time. If services have already been provided at the time of cancellation, 100% of original fee will be applied. It is EXHIBITOR'S responsibility to advise LES Exhibitor Services personnel of any problem with any order, and to check invoices for accuracy prior to the close of the exhibit. If EXHIBITOR is exempt from payment of sales tax, LES requires an exemption certificate for the State in which the services are to be used. Resale certificates are not valid unless EXHIBITOR is rebilling these charges to its customers. For International EXHIBITORS, LES requires 100% prepayment of advance orders, and any orders or services places at show site must be paid at the show. For all others, should there be any pre-approved unpaid balance after the close of the show, terms will be net, due and payable in the UNITED STATES OF AMERICA, upon receipt of invoice. Effective 30 days after invoice date, any unpaid balance will bear a FINANCE CHARGE at the lesser of the maximum rate allowed by applicable law, or 1.5% per month, which is an ANNUAL PERCENTAGE RATE of 18%, and future orders will be on a pre-paid basis only. If any finance charge here under exceeds the maximum rate allowed by applicable law, the finance charge shall automatically be reduced to the maximum rate allowed, and any excess finance charge received by LES shall either be applied to reduce the principal unpaid balance or refunded to the payer. These payment terms and conditions shall be governed by and construed in accordance with the LAWS OF THE STATE OF FLORIDA. In the event of any dispute between EXHIBITOR and LES relative to any loss, damage, or claim, such EXHIBITOR shall not be entitled to and shall not withhold payment, or any partial payment, due to LES relative to any services, as an offset against the amount of any alleged loss or damage. Any claim against LES shall be considered a separate transaction, and shall be resolved on its own merits. LES reserves the right to charge EXHIBITOR for the difference between the EXHIBITOR's estimate of charges and the actual charges incurred by the EXHIBITOR, or for any charges that LES may be obligated to pay on behalf of the EXHIBITOR, including without limitation, any shipping charges.

## LABOR PROVIDED UNDER THE SUPERVISION OF LES

### RESPONSIBILITIES

LES shall be responsible for the performance of labor provided under this option. LES cannot assume responsibility for any acts of, or loss to, persons, parties and/or other contracting firms not under LES's direct supervision and control. In no event shall LES be liable for loss or damage caused by delay in labor beginning work when EXHIBITOR requests labor to begin later than the start of the working day. LES shall not be responsible for loss, delay or damage due to strike, lockouts, and/or work stoppages, or other causes beyond LES's reasonable control.

### INDEMNIFICATION

LES agrees to indemnify, hold harmless, and defend EXHIBITOR from and against any and all demands, claims, causes of action, fines, penalties, damages, liabilities, judgments, and expenses (including but not limited to reasonable attorneys' fees and investigation costs) for bodily injury, including any injury to LES employees, or property damage arising out of work performed by labor provided by and supervised by LES, except when EXHIBITOR exercises direction and/or control over the work being performed.

It is the responsibility of EXHIBITOR to check in with the Service Desk to pick up labor, and to return to the Service Desk to release labor when the work is completed.

### INDEMNIFICATION

TERMS & CONDITIONS

# MATERIAL HANDLING FAQs

The following is a list of frequently asked questions pertaining to material handling and freight services. We strongly recommend that you read this document in its entirety to better familiarize yourself with the processes relating to material handling and freight services.

As the official service contractor, LEVY is the exclusive provider of freight services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. It should not be confused with the cost to transport your exhibit material to and from the convention or event. You have two options for shipping your advance freight — either to the warehouse or directly to show site.

## HOW DO I SHIP TO THE ADVANCE WAREHOUSE?

- We will accept freight beginning 30 days prior to show move-in.
- To check on your freight arrival, call Exhibitor Services at the number listed on the Quick Facts.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Quick Facts and Shipping Instructions pages. Your freight will still be received after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to the Shipping Instructions page for warehouse receiving hours.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets. Loose or pad-wrapped materials must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Certified weight tickets must accompany all shipments.
- Warehouse freight will be delivered to the booth prior to exhibitor setup.
- Please call the number located on the Quick Facts if you want to ship oversized material that requires special equipment to the warehouse.

## HOW DO I SHIP TO SHOW SITE?

- Freight will be accepted only during exhibitor move-in. Please refer to the Quick Facts for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Certified weight tickets must accompany all shipments.

## WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- Collect shipments will be returned to the delivery carrier.
- To ensure that your freight does not arrive “collect,” mark your bill of lading “prepaid.”
- “Prepaid” designates that the transportation charges will be paid by the exhibitor or a third party.

## HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, the booth number and the name of the event.
- The specific shipping address for either the warehouse or show site can be found on the Quick Facts and Shipping Instructions pages.

## HOW DO I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is considered separately. The shipment weight will be rounded to the next 100 pounds. Each 100 pounds is considered one “cwt.” (one hundred weight). All shipments are subject to reweigh.
- On the Order Form, select whether the freight will arrive at the warehouse or be sent directly to show site.
- Next, select the category that best describes your shipment. There are three categories of freight:

**Crated:** material that is skidded or is in any type of shipping container that can be unloaded at the dock with no additional handling required.

**Special Handling:** material delivered by the carrier in such a manner that it requires additional handling, such as ground unloading, stacked and constricted space unloading, designated piece unloading, loads mixed with pad-wrapped material, loads failing to maintain shipping integrity, carpet and/or pad-only shipments, and shipments that require additional time, equipment or labor to unload. Federal Express, UPS and all van lines are included in this category due to their delivery procedures.

**Uncrated:** material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks.

- Add overtime charges for inbound if material is delivered to the booth during the overtime period stated on the Quick Facts and Shipping Instructions pages. This includes both warehouse and show site shipments.

- Add overtime charges for outbound if material is loaded onto the outbound carrier during the overtime period stated on the Quick Facts and Shipping Instructions pages.
- Add the late delivery charge listed on the Order Form if the shipment is accepted at the warehouse or at show site after the deadline date listed on the Quick Facts and Shipping Instructions pages.
- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.
- Shipments received without receipts or freight bills, such as UPS and Federal Express, will be delivered to the booth without guarantee of piece count or condition.

## WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up “Empty Labels” at the Service Center. Place a label on each container. Labeled containers will be picked up periodically and stored in non-accessible storage during the show.
- At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.
- *Please note that LEVY will assume no liability for interrupted travel plans due to the length of time required for the empty container return. It is the responsibility of the exhibitor to schedule travel plans accordingly.*

## HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

- Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

## HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- Each shipment must have a completed Material Handling Agreement in order to ship materials from the show. All pieces must be labeled individually.
- To save time, complete and submit the Outbound Shipping Form in advance, or you may contact the Service Center at show site for your shipping documents. The Material Handling Agreement and labels will be processed and available prior to show closing.
- After materials are packed, labeled, and ready to be shipped, the completed Material Handling Agreement must be turned in at the Service Center.
- Call your designated carrier with pick-up information. Please refer to the Quick Facts and Shipping Instructions pages for specific dates and times. In the event your selected carrier fails to show on final move-out day, your shipment will either be rerouted to LEVY’s carrier choice or delivered back to the warehouse at exhibitor’s expense.
- For your convenience, show-recommended carriers will be on site to handle outbound transportation.

## WHERE DO I GET A FORKLIFT?

- Forklift orders to install or dismantle your booth after materials are delivered may be ordered in advance or at show site. We recommend that you order in advance to avoid additional charges at show site. Refer to the Order Form for available equipment.
- Advance and show-site orders for equipment and labor will be dispatched once a company representative signs the labor order at the Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

## DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by LEVY are subject to the enclosed Terms and Conditions.
